

MAY 1-2 | CROWNE PLAZA SPRINGFIELD

**2025 Occupational Safety and Workers'
Compensation Symposium**

IMPROVING SAFETY AND OUTCOMES

Healthcare workers are among the most impacted by on-the-job injuries. A proactive workers' compensation program is critical, as keeping up with safety standards and best practices can enhance workplace safety and workers' compensation outcomes.

This year's symposium will spotlight top issues including mental health and physical injury recovery, key OSHA policy updates, safe patient handling standards, and best practices for post-incident investigations.

Join us in May for this can't-miss program!

WHO SHOULD ATTEND?

- ▶ Nurses
- ▶ Safety specialists
- ▶ Employee health professionals
- ▶ Human resources specialists
- ▶ Workers' compensation program managers

The symposium is complimentary and only open to clients of Illinois Risk Management Services and members of Illinois Compensation Trust.

LEARN MORE & REGISTER

See our program webpage for session descriptions, speaker bios and hotel information. Nurses attending can earn 7.5 hours of continuing education credit.
